MEETINGS OF THE WEEK

Monday 5/16/11 1:30 p.m. Instructional Services Council D-121A
2:30 p.m. Chairs Cabinet D-121A

Tuesday 5/17/11 2:00 p.m. President’s Council D-102
2:30 p.m. Academic Senate Canceled

Wednesday 5/18/11 9:30 a.m. Instructional Cabinet D-102
11:00 a.m. Review of Services Canceled

Thursday
Friday 5/20/11 Graduation Day!

Graduation Information

Graduation Rehearsal – Thursday, May 19, 2011, 3:30 p.m., Organ Pavilion
Graduation – Friday, May 20, 2011 – 6:00 p.m., Organ Pavilion

Usher Volunteers Needed. Please contact Neary Sim at x3207. Check Out Graduation Website: http://www.sdcity.edu/degrees/grad.asp (Whisenhunt)

Construction Updates
On City’s homepage under About City College, simply click on the CONSTRUCTION UPDATES on lower left column. For all construction project updates and notices, please go to: http://www.sdcity.edu/buildingupdates/default.asp.
Key Return

Please return to College Police in V-100 (Career Technology Building) at the end of the semester any keys that will not be used next semester, i.e. any non-returning contract employees (resignations, transfers, retirements), non-returning classified hourly, non-returning adjunct instructors, any/or keys for areas which access is no longer required. Also, please return any CXX other keys as ANY key will open a staff restroom area. Thank you. (Davis)

Campus Events

Campus Events
Many new events are added throughout the semester. To add an event to the campus calendar or to promote your event under STUDENT ANNOUNCEMENTS, simply click on the Webmaster link at the bottom of the www.sdcity.edu home page and provide information on your event. An event flyer can be attached also. Check the campus calendar at www.sdcity.edu/events.asp.

Jazz 88.3’s Music Matters Campaign

GOT AN OLD MUSIC INSTRUMENT LYING AROUND COLLECTING DUST?

DONATE IT TO JAZZ 88.3’s MUSIC MATTERS CAMPAIGN.

Donated instruments are given to the community council for music in the schools, refurbished, and made available to San Diego school children who want to do music but can’t afford to buy or rent an instrument.

DROP OFF YOUR USED INSTRUMENT AT ANY COLES CARPETS LOCATION OR JAZZ 88.3 ON CITY COLLEGE CAMPUS, ROOM C-102.
Old Town to Downtown and Beyond

Old Town to Downtown and Beyond: Honors U.S. History II Student Research Projects will run from May 2nd to May 18th at the Learning Resource Center. San Diego history comes alive with student exhibits on display in the LRC first and second floor exhibit cases. For more information, contact Susan Hasegawa at shasegaw@sdccd.edu. (Hasegawa)

Last News and Notes for 2010-2011

Summer is at long-last on the horizon. As we continue our various commitments or embark on much deserved vacations, or restful time with family and friends. Know that your contributions to City College are acknowledged and appreciated. I look forward to seeing you on campus this summer or when you return in the fall. Best wishes! Terry

Look for the next issue of the Bulletin to be delivered to your e-mail inbox on August 22, 2011. (President’s Office)
### Design Status

</tbody>
</table>
| Description: The design team has completed the response to the DSA comments, and the resubmittal design package backcheck appointments have been held for Access Compliance. Structural and Fire Life Safety comments have been addressed and were submitted to DSA on January 18th. A DSA backcheck appointment was scheduled for March 30th to review the Fire Life Safety comments, however due to scheduling conflicts with DSA, the Fire Life Safety backcheck appointment was pushed to April 1st. At this meeting, the DSA plan checker cleared most of the remaining comments, however Fire Life Safety was not fully approved. The design team has submitted documentation and responses to address these outstanding comments, and they are awaiting DSA response. The project team is in the process of developing the bid packages in anticipation of a bid advertisement once DSA approval has been achieved.

</table>
| Description: The Design team continues with the programming design phase. Current Issues: Due to a square footage calculation discrepancy, the final space plan has been revised and re-issued to the users for review and approval. Upon approval, the design team will finalize the programming documents, and submit this to the District. Once received, the project can proceed with a design build RFP. The project is now anticipated to have a Design Build RFP advertised sometime in August of 2011 with a design start ETA of late September.

| Description: The design team is complete with the DD phase of design. The anticipated cost of the new roofing pedestal system, as well as the additional cost of the ceiling replacement in the space below, have caused a significant increase to the project estimate. While the design documents have been approved with comments, and the design team can proceed with the CD phase of design, there is some discussion on whether this project will need to be coordinated in conjunction with the M bldg project. Progress with design is pending a fault study for the M building project.

---

Facilities Management Design Report

Date of Update: May 10, 2010
CPM: Tom Fine

Campus: City College

Design and construction of 8 renovated and 6 new buildings at City College. The design and construction will follow the updated master plan for City College as adopted by the campus in August 2008.
**Project Title:** Language/Speech/Visual Arts “C” Building  
**Project Budget:** $20,353,800  
**Architect/CM**  
RNT/Sundt  
**Design Status:** Programming  
**Percent Complete:** 99%  
**DSA Stamp Out:** DSA Submittal ETA 02/13/12  
DSA Stamp Out ETA 11/16/12

**Description:** A potential construction phasing plan has been submitted by the Design Build team for the relocation and renovation of the Radio Station and Journalism Dept. This plan has been approved by the District, and the Design Build team continues to meet with the C Building design committee to continue this process. Final programming draft documents have been reviewed by the District, and requested changes are in process. The requested changes include the revision of an 80 seat classroom into a multi-media lab, as well as justification for two, 40-seat classrooms that are currently included in the building space program. Once these changes have been made and justification has been provided, the project can proceed into the conceptual and schematic phases of design. It is anticipated that this will take place in late May, with finalized programming documents by the beginning of June.

**Project Title:** Renovate “M” Building  
**Project Budget:** $9,654,000  
**Architect/CM**  
HGW Architects/CW Driver  
**Design Status:** Programming  
**Percent Complete:** 15%  
**DSA Stamp Out:** DSA Submittal ETA 02/13/12  
DSA Stamp Out ETA 11/16/12

**Description:** Programming meetings have been held to establish space needs for each program. Due to the potential of seismic faulting in the vicinity of this part of the campus, these programming meetings are on hold until a fault study can be performed. Based on the findings of this study, the design team will need to evaluate the occupancy classification for the new building program. There has been some discussion regarding whether or not this project needs to be coordinated in conjunction with the D building roof project, however a final determination will depend on fault study findings. The District has initiated the fault study, and once completed, the findings of the study will enable the District to fully determine the occupancy classification of the M building, as well as further coordination with the D building. The fault study is in progress, however delays with the City Traffic Control permits have pushed the completion out to the end of May.

**Project Title:** Construct Child Development Center  
**Project Budget:** $11,023,185  
**Architect/CM**  
Carrier Johnson  
**Design Status:** Conceptual Design  
**Percent Complete:** 50%  
**DSA Stamp Out:** DSA Submittal ETA 8/06/12  
Stampout ETA 06/07/13

**Description:** Construction of a new Child Development Center at City College. **Current Issues:** The State has informed the District that the CDC project is ineligible for State Funding. Despite this determination, the project will be funded through Proposition S. The project is scheduled to continue with planning and design, with an anticipated RFP solicitation for design build firms later in 2011. A meeting was held on March 22 to discuss potential locations for the CDC on the City College campus, and it was requested that the RFP for Design Build firms include a requirement to provide site layout options in their responses to the RFP.

**Date of Update:** “A” Building Renovation  
**Project Budget:** $28,384,000  
**Architect/CM**  
MDWF  
**Design Status:** Programming  
**Percent Complete:** 95%  
**DSA Stamp Out:** DSA Submittal ETA 12/17/12  
DSA Stamp Out ETA 9/20/13

**Description:** The Design team continues with the programming design phase. **Current Issues:** Due to a square footage calculation discrepancy, the final space plan has been revised and re-issued to the users for review and approval. Upon approval, the design team will finalize the programming documents, and submit this to the District. Once received, the project can proceed with a design build RFP. The project is now anticipated to have a Design Build RFP advertised sometime in August of 2011 with a design start ETA of late September.
