GET TO KNOW THE faces

The presenters of the Symposium are as varied as the demonstrations and displays. Mirroring the diversity of our City College population, the students ranged in age from 18 to 60, from all walks of life and all educational levels.

...The majority are first-time presenters

...Many are first-generation college students

...Several have served in the military, including service in Iraq.

The majority of students were born in San Diego, but others come from places near and far:

- Los Angeles, CA
- Tijuana, Mexico
- San Diego, CA
- Sinaloa, Mexico
- El Centro, CA
- Michoacán, Mexico
- San Salvador, CA
- Panama
- Mexico City
- Sacramento, CA
- Husband
- Russia
- Kansas City, MO
- Haiti
- Kansas
- Eastern Africa
- New Jersey
- Vietnam

Most students planned to transfer on to 4-year universities such as:

- San Diego State University
- University of California, San Diego
- Cal State San Marcos
- University of California, Los Angeles
- University of California, Berkeley
- New School of Architecture and Design
- Concordia University

Most students aspire to higher educational goals, including Baccalaureate degrees, Masters and Ph.D. Interests vary across many disciplines:

- Accounting
- Alcohol and Other Drug Studies
- Architecture
- Biomedical Engineering
- Business Administration
- Chinese Studies
- Child Development
- Civil Engineering
- Computer and Business Technology
- Computer Engineering
- Criminal Justice
- Culinary Arts
- Economics
- Environmental Engineering
- International Security and Conflict Resolution
- Journalism
- Mechanical Engineering
- Music
- Nursing
- Political Science
- Psychology
- Social Science
- Social Work
- Theatre Technology and Design

As diverse as the fields of study, career goals include everything from “being the boss” to undertaking global humanitarian efforts. All wish to contribute something of value and importance to our community...
