F. Banking/Carryover

While faculty are encouraged to meet their obligation each semester, those who wish to "bank" or carryover time spent on Flex activities beyond the number required for the semester may do so under the following conditions:

1. Excess hours may be "banked" from one semester to another within the academic year. You may carry over Flex credit from fall 2013 to spring 2014 (but not from spring 2014 to fall 2014).
2. Any "banked" hours on record at the end of the fall semester will automatically be brought forward in the Flex system to the spring semester for all faculty.

G. Evaluation

An evaluation of the Flex activities designated by the college is required by Title 5. An online evaluation form will be sent to all faculty at the conclusion of fall and spring Flex periods.

3. Independent Projects

All independent projects must be submitted online and according to provision 7.1.4 of the AFT contract. To create your independent project, follow the procedure described below and refer to the sample in Appendix A of this handbook. You may also contact your campus Flex Coordinator for information.

The deadline for the submission of Independent Projects for approval will be the Monday of week 12 of the semester.

Fall 2013: November 4, 2013
Spring 2014: April 14, 2014

After an Independent Project has been approved, the project must end and be marked as completed on the Faculty Flex website before the following deadlines to receive Flex credit:

Spring 2014: May 19, 2014
