Preventing In-Class Disruptive Behavior (Flex# 79017)

This presentation will show the results from two surveys completed by several teachers and students for the purpose of finding the top ten most frequent disruptive behavior situations in class. Participants will compare those results with their experiences to create their own list of most frequent disruptive behaviors. Some suggestions in preventing and handling disruptive behavior, provided by surveyed faculty, will be presented and discussed in order to generate a list of tips to prevent and manage such situations in the future. The presentation will have some hands-on activities, be prepared to share experiences, suggestions, and questions.

Friday, August 15

8:30 am – 12:30 am

EEO Screening Committee Training (Flex# 79305)

The San Diego Community College District is committed to legal compliance, as well as to provide as much support as possible for screening committees to successfully navigate through the hiring process. The California Code of Regulations, Title 5 and the SDCCD EEO Plan collectively require that all persons who are involved in the recruitment and screening/selection of personnel must be trained on equal employment opportunity (EEO) laws, regulations and policies as well as education on the benefits of workforce diversity and ways to eliminate bias from the hiring process.

Completion of the “EEO and Diversity Training for Screening/Selection Committees” qualifies you to serve in any capacity (on the screening/selection committee) for 3 years from the date of your training. If you anticipate participating on a District Screening Committee, in any capacity, you are encouraged to register for the training now. If you will be the chairperson of a screening committee in the near future, you will need to ensure that your committee members have received this training in advance of their service on your committee. Your efforts now will help avoid unnecessary delay to your committee since screening and interviewing cannot proceed until all committee members have completed this training.

To register for this training please email Edwin Hiel, ehiel@sdccd.edu. After you have registered, and a few days before the training date, Mr. Hiel will email you a copy of the Screening Committee Responsibilities PowerPoint Presentation that has been developed by the HR Employment Office. Although there is some crossover, the live training that you register for will not cover the vast majority of the information contained in this PowerPoint, so please be sure to read it before you serve on the committee.

Presented by Edwin Hiel
