San Diego City College

CLUB/ORGANIZATION RECOGNITION APPLICATION

I, _____, consent to function as Advisor for _____ (name of club). As Advisor to this club, I will become knowledgeable of relevant rules and regulations of the San Diego Community College District and City College.

Roles and Responsibilities:

An Advisor position is both a rewarding and challenging role. An Advisor, who motivates and provides solid advisement to student organization leaders, assists them in their personal growth and development. Clubs and Organizations are active contributors to life on campus, and the Advisor's role is to contribute their time to promote this effort. To that end, the Office of Student Affairs encourages you to carefully consider the following roles and responsibilities in agreeing to serve as an Advisor.

As Faculty Advisor, I will:

- 1) Attend a Mandatory Advisor Orientation (scheduled dates are attached in this packet). Your attendance is necessary in order for a club to be registered on campus.
- 2) Help students develop critical life skills and promote student development, as well as civic responsibility.
- 3) Provide leadership and supervise all activities of the club or organization. I am responsible for the implementation of all policies and procedures prescribed by the governing board.
- 4) Attend all meetings and official activities of the club/organization. It is required that the club or organization advisor, or a substitute acceptable to the administration, attend each meeting and official activity of the club or organization.
- 5) Provide leadership to the organization and implement policies and procedures for approval of funds requisitions and purchase requests (see Guidelines for Withdrawal of Club Funds).
- 6) Serve as a role model, facilitator and a resource to promote the correct use of college procedures, policies and business processes. I will promote good planning, organization and interpersonal relationships.
- 7) Be responsible for proper care of college facilities and ensure that all rules and regulations are adhered to in connection with use of facilities.
- 8) Travel to and from all events outside of San Diego County with the students. All off-campus travel must be in accordance with Board Policy 3120, Off Campus Student Activities.
- 9) Be responsible for all club or organization expenditures. I will ensure that the purchase is appropriate and that the appropriate receipts and documentation are submitted to the Student Affairs Office. Receipts are required for audits. I will assist the Club Treasurer in monitoring club or organization expenditures.
- 10) Carefully review the Procedures and Operating Guidelines for Student Clubs/Organizations, Board Policy 3200, published June 2011.

I will uphold and accept all of the responsibilities as outlined above and consent to be the Faculty Advisor for the above named Club/Organization. I also understand that in the event an advisor cannot continue in their role, the activities of the club or organization shall be suspended until a replacement is identified. I also recognize that Board Policy 3200 addresses club sanctions, in the event that a club does not adhere to policies and procedures of the college and district at all times. I realize that in accordance with Board Policy 3200, I will be recommended by the Dean of Student Affairs, the Vice President of Student Services and selected by the President of the City College.
