

Evening Classes!

ELECTRONICS TECHNOLOGY!

ELECTRONICS TECHNOLOGY COURSES

Begin & continue to build your skills in Electronic Technology

1. **ELDT 123** Introduces students to the basics of digital electronics foundational material in electronics and electrical engineering. It has applications in other technologies as well.
2. **ELDT 123L** Laboratory course allows each student to directly apply their knowledge to the construction & troubleshooting of electronic circuits. Experience using basic electronics instrumentation is developed
3. Other Courses!
ELDT 125/125L AC Circuits with simulation
ELDT 144/144L Operational Amplifiers
ELDT 229/229L Advanced Telecommunications

Classes fill fast! • Register early!

Spring | January 29 - May 26

| | | | |
|-----------|-------|-----|---------------|
| ELDT 123 | 89636 | MW | 5:30 - 6:55pm |
| ELDT 123L | 90217 | MW | 7:05 - 8:30pm |
| ELDT 125 | 94689 | TTh | 5:30 - 7:35pm |
| ELDT 125L | 94691 | TTh | 7:45 - 9:10pm |
| ELDT 144 | 81540 | MW | 5:30 - 6:55pm |
| ELDT 144L | 81552 | MW | 7:05 - 9:20pm |
| ELDT 229 | 03373 | TTh | 5:30 - 6:55pm |
| ELDT 229L | 03384 | TTh | 7:05 - 8:30pm |
