III. Additions/Adoption of Agenda was approved by consensus

IV. Announcements
   a. HUBU Conference- The 4th Annual HUBU Conference is March 22, 2013 at Mira Costa College from 8am to 2pm. Transportation for all San Diego City College Student is provided. The HUBU conference provides an opportunity for young men to discuss strategies to overcome educational and personal challenges that affect men of color in higher education. Interested parties can register at www.miracosta.edu/studentservices/hula, before March 15, 2013.
   b. Academic Senate President Election- Erin Engstrom made an announcement regarding Senate Elections. She stated interested parties need to send in a letter of interest by Wednesday and the election will take place starting Monday 11, 2013 through Friday 15, 2013.
   c. Diversity Committee- D. Shelton emphasized the importance of the Diversity Committee and wanted to encourage senators to get involved. They are shooting for 2014 for the committee to really start making progress, the next meeting will be Friday March 8, 2013 at 1pm in Rm D121B. She mentioned a couple events they have planned for April, which included presentations from our student Veterans and a student forum. She again, emphasized that they are looking for new members so please email D. Shelton if you are interested.

V. Guest/Special Committees
   a. Associated Students- An Associated Student Representative stated that if senators knew of any students interested in attending the HUBU conference have them contact Lori in Student Affairs regarding transportation, it’s on a first come first serve basis and students must sign a waiver. He also mentioned that we have ASG students at March of March right now in Sacramento and we did have letters come in.
   b. ACCJC Annual Report- Randy Barnes attended the Academic Senate Meeting to give senators an update on the ACCJC Annual Report. He asked senators for their input regarding institution set standards. R. Barnes said he is going to look into other institutions and see how they
use certain methods such as benchmarking, but would really appreciate input from the senators and their departments.

VI. Old Business
   a. DSPS Proctoring- P. Haro gave that senators an update on the DSPS proctoring issue. He mentioned that A-10 is now available for proctoring. The Senate will keep an eye on this issue.
   b. MOOC Committee Update- Marie St. George gave the senators an update regarding the MOOC Committee. The committee has met two times and they have came up with a plan for the year. They plan to spend some time focusing on student experiences with MOOCs by researching relevant articles.

VII. New Business
   a. C-ID Resolution for Spring Plenary- Libby Andersen attended the Academic Senate Meeting to explain to the senators the SDCCD Instructional Services C-ID Submission Procedures, and get them approved by the senate. L. Chaddock and R. Alexander motioned made a motion to vote for approval. MSC( 16-0-0) The C-ID Submission Procedures were approved by the San Diego City College Academic Senate. L. Andersen also discussed the C-ID Resolution and the Transfer Model Curriculum Resolution. She was seeking support from the City faculty.
   b. Curriculum Update- D. Shelton and J. Lombardi gave the senators a brief update on curriculum. D. Shelton emailed all senators a handout that explained the Repeatability and Repetition highlights. She encouraged senators to share that information with their departments and contact her with any questions or concerns.
