Raffle Notice

Student and staff participation in fundraising activities for the college and charitable organizations can help develop a sense of social responsibility in students, enhance the relationship between the college and community, and contribute to the improvement of college programs.

However, it is important to know that “raffles, lotteries and opportunity drawings” are illegal in the State of California (penal Code 335A) for public educational institutions. The rules for compliance are complex, and we encourage anyone seeking to organize a fundraising activity to know the rules and avoid a “personal” misdemeanor offense.

The campus leadership strives to support and promote legal standards and practices, and requires that all activities on campus obtain the appropriate approvals. (Bell)

Provided below are 11 common myths regarding running shoes:

1. Running shoes improve the performance of the foot.
2. A softer shoe offers better protection.
3. New shoes are improvements on old shoes.
4. The best shoe is the one that costs the most money.
5. It works well for my friend so it will work well for me.
6. It fits poorly now, but it will "break in".
7. The salesperson knows what is best for me.
8. The more gizmos a shoe has, the better it is.

THE PRICE SCHOLARSHIP PROGRAM
A Supporting Organization of the San Diego Foundation in Association with the San Diego Community College District Auxiliary

The Price Scholarship Program is extending an invitation to current City College students to apply to our Price Scholarship Program.

Eight City College scholarships are available to students who must:

• Be currently enrolled and in good standing at San Diego City College
• Residents of the downtown, mid-city, or southeast area of San Diego
• Have a minimum 2.5 Grade Point Average in their college studies
• Have graduated from high school within the last 7 years (2005) and are interested in completing a Certificate of Achievement, an Associates Degree, Transfer Studies, or a Certificate of Completion.
• Have demonstrated financial need
• Perform 5 or 8 hours of Volunteer Service Learning weekly with a pre-selected community agency or school throughout their participation in the program

Scholars will gain valuable experience through structured job shadowing, and community service assignments, with local community agencies, schools, and businesses in City Heights, Balboa Park, and other central and southeastern areas of San Diego.

The scholarship year will begin in June 2013 and may be renewable if the student remains in good standing academically and programmatically. Scholarship participants will perform 5 or 8 hours per week and choose a site from the current list of locations and services that offer a range of experiences.

Scholars are required to attend regular weekly classes throughout their first year of participation in the program and meet with program staff on an ongoing basis to assess their performance and progress in the program.

Applications are available in the Price Scholarship Program Office room L-1145D or online at www.pricescholars.org beginning Friday, November 9, 2012 and they will be due back to our office by Friday, December 14, 2012 at 12:00 noon.

Students who are accepted into the program will be required to attend a program orientation in June 2013 before they begin their program in August 2013. (Delgado)
