University Club Atop Symphony Towers

SCHOLARSHIP APPLICATION

"Where women Members gather for inspiration, education, motivation and relaxation."

Since 1994, The Executive Women’s Council, a committee within the University Club Atop Symphony Towers, has provided a forum for executive women to gather, network, support and learn with each other. We believe that the sisterhood within the Executive Women’s Council can be spread beyond the walls of the University Club, with particular focus on engaging women attending San Diego City College. During our programming, we have the pleasure of overlooking San Diego City College from the University Club, and are regularly inspired by the knowledge that within walking distance of the Club, there is a premier center of learning, where the next generation of women are becoming leaders.

In the spirit of offering a hand-up, rather than a hand out, and in honor of EWC’s 20th anniversary, the Board of Directors has established a scholarship to honor and aid a motivated, inspiring young woman attending San Diego City College. The Executive Women’s Council scholarship is a two-prong grant – both financial and in access to San Diego’s finest executive women.

The 2015 recipient of the EWC Scholarship will receive a one-time $500 scholarship, to be used towards tuition, books and/or lifelong learning opportunities. In addition, the recipient will become an honorary sister of EWC, which grants her access to ten monthly programs. (value of $450). By attending the EWC programs, the recipient will have the opportunity to network and be mentored by not only the Board of Directors, but also the event attendees, which offers exposure to diverse industries and opportunities. The mission of the EWC Scholarship is to help a dynamic young woman the opportunity to benefit from not only financial assistance but professional access as well.
