Notes

- **Foreign Language**: The foreign language requirement is automatically fulfilled through coursework for preparation for the major.
- **Minor**: Students majoring in French must complete a minor in another field to be approved by the SDSU departmental advisor in French.
- **International Experience Requirement**: All French majors are required to complete an approved study abroad program in a French-speaking country, consisting of a minimum of six units (90 hours). However, French majors are strongly encouraged to complete a more extensive abroad experience by participating in a semester or an academic year program. To fulfill the study abroad requirement, French majors must enroll in a study abroad program approved by the department. Unapproved study abroad programs will not meet the international experience requirement for the major. For more information, contact the SDSU department at (619) 594-5111 or french.coord@sdsu.edu.
