Notes

- **Foreign Language**: Third semester competency or equivalent in one foreign language is required as an SDSU graduation requirement. This may be completed at community college or SDSU.
- **International Experience Requirement**: All social work majors are required to participate in an international experience to increase awareness of cross-cultural issues, global health, economic, political, cultural, social services, and health challenges experienced by local populations in international environments. Students participate in residence for two or more weeks. For more information, visit [www.chhs.sdsu.edu/international](http://www.chhs.sdsu.edu/international) or contact the SDSU department at (619) 594-6865.
- **Time Limitation**: All social work courses taken for the pre-major and major must have been taken and completed within seven years of the granting of the undergraduate degree. Courses taken prior to the seven year rule must be repeated. This policy applies to courses taken at SDSU or transferred from another institution. No exceptions will be made to this policy.
- **Transfer Credit**: Transfer credit students may transfer 18 nonsocial work courses in the premajor and six units of Social Work 110 and 120 from a California community college or four year institution with a signed articulation agreement with SDSU. The 44 units in the major can only be transferred from a Council on Social Work Education (CSWE) accredited or candidacy status social work undergraduate program.
- **Other Information**: Other information pertaining to the major, including field practicum and student handbook information can be found in the SDSU catalog under “Social Work”.
