TOTAL UNITS: 26

Transfer Admission Eligibility*

All transfer applicants must meet the following requirements to be considered for admission:
- Complete a minimum of 60 CSU-transferable semester units.
- Complete General Education (GE) requirements in written communication, oral communication, critical thinking, and mathematics with a "C" or higher in each course.
- Earn a minimum 2.50 cumulative CSU-transferable GPA. Applicants must meet this GPA at the time of application and must maintain the GPA prior to transfer.
- Be in good standing at the last college or university attended.

Applicants who meet the requirements listed above will be ranked based on the completion of lower division General Education and preparation for the major coursework. Out-of-service area applicants will be selected based on a GPA ranking that may be higher than the major GPA. Visit www.sdsu.edu/admissions for details.

Impacted Major Entrance Criteria

In order to be admitted to this major at SDSU, students must meet both the transfer admission eligibility requirements listed above and also the following impacted major entrance criteria:
- Complete with a "C" or higher SDSU's SPAN 202 and 212 (or appropriate transfer equivalents). These cannot be taken credit/no credit. These courses are automatically waived for native speakers of Spanish who have a high school diploma or equivalent from a country whose language of instruction is Spanish. This coursework may also be waived with appropriate Advanced Placement or International Baccalaureate test credit. Contact an SDSU Spanish Dept advisor for details: (619) 594-6588.
- Students who do not meet the impacted major entrance criteria prior to transfer will be required to complete these requirements at SDSU prior to enrolling in any upper division courses in the major.

Notes

- **Minor**: A minor in another field approved by the SDSU Spanish department advisor is required for this degree.
- **Foreign Language**: The foreign language requirement for graduation is automatically fulfilled through coursework in preparation for the major.
- **International Experience**: All Spanish majors are required to complete an approved study abroad program in a Spanish-speaking country consisting of a minimum of six units. To fulfill the International Experience Requirement, Spanish majors must enroll in a study abroad program approved by the SDSU department. Participation in other study abroad programs without the written approval of the SDSU department will not meet the international experience requirement for the major.
- Some coursework may be waived for native speakers of Spanish or those with Advanced Placement or International Baccalaureate test credit. Contact an SDSU Spanish Dept advisor for details: (619) 594-6588.
