- Complete General Education (GE) requirements in written communication, oral communication, critical thinking, and mathematics with a “C” or higher in each course.

Notes

- **Foreign Language**: Third semester competency or equivalent in one foreign language is required as an SDSU graduation requirement. SLHS courses fulfill this requirement. This may be completed at community college or SDSU.

- **International Experience**: All Speech, Language, and Hearing Science majors are required to participate in an international experience. Students participate in residence for two or more weeks. For more information, see the SDSU catalog under “Speech, Language, and Hearing Sciences” or www.chhs.sdsu.edu/international.

- **Time Limitation**: All courses for the major must be completed within seven years for the granting of the undergraduate degree. Any course completed more than seven years prior to the date on which all requirements for the degree are completed cannot be used to satisfy unit requirements for the degree. Exceptions for individual courses must be approved by the SDSU department and filed with the SDSU Office of Advising and Evaluations.
