The San Diego Foundation’s 2013-2014 Common Scholarship Application deadline is only one month away!

Don’t forget that the last day to start an application is February 4 and the last day to submit an application is February 6. Applicants must register by February 4 so that they can receive online access and submit their applications by February 6.

**We strongly recommend that students apply by January 31 to allow for additional materials to be gathered and to avoid any technical issues close to the deadline.**

To encourage applicants to apply early, we’ll be choosing a random winner of a $100 gift card to Barnes & Noble every Monday from December 17 to January 28. The earlier applicants submit their applications, the more chances they’ll have to win!

As well, we have one scholarship with an early deadline of January 14; the prestigious Kyoto Scholarship awards $10,000 to three San Diego County students as well as $1,000 to several other local students and requires an additional essay to apply.

Finally, don’t forget our separate scholarships page, which includes other opportunities for which students may be eligible.

Please alert any interested students to this opportunity by sending them to our website at [www.sdfoundation.org/ScholarshipApplication](http://www.sdfoundation.org/ScholarshipApplication) and distributing our flyer in English and Spanish.

For questions, please email scholarships@sdfoundation.org or call (619) 814-1343.
