VETERANS STATEMENT OF UNDERSTANDING
A Statement of Understanding must be completed by each Veteran or Dependent acknowledging the following requirements:

- I understand that it takes 4 to 8 weeks for the VA Regional Office to process my educational benefits. Payment is paid retroactive to the beginning of the semester.
- I understand that I must meet the college standards of progress. If I am academically disqualified from the college, I am no longer eligible to receive VA benefits.
- I understand that all official transcripts of prior college work and military schools, including copies of form DD-214 or DD-295 must be on file and evaluated by the end of the first semester of attendance at my primary college. Failure to submit official transcripts will delay further VA enrollment certifications. If I already have a bachelor’s degree, I understand that my enrollment certification will not be submitted until all transcripts are EVALUATED.
- I understand that each semester I will be required to complete a “Semester Worksheet” in order to utilize and continue my educational benefits.
- I understand that I will be responsible for paying any outstanding fees not covered by my VA educational benefits. I will have a hold placed on my account and will not be able to register for classes in subsequent semesters until the balance is satisfied.
- I understand that a comprehensive student education plan must be on file prior to certification of the second term. Once a comprehensive student education plan is completed, prior credit will be noted.
- I understand that it is my responsibility to report any changes (Adds/Drops/Withdrawals) to the college Veterans Affairs Office immediately.
- I understand that all classes taken each semester must apply to my major according to my computerized education plan.
- I understand that my DD-214 (with at least six months of active duty service and an honorable discharge) will meet the health and PE requirements for the AA/AS degree and CSU Area E General Education requirements.
- I understand that failure to enroll in the proper classes may result in an overpayment and the reduction or termination of benefits. The veteran and/or dependent assume FULL responsibility for any overpayment of Veterans Benefits.
- I understand that I will get paid for the dates I actually attend class (For example, 8 and 5 week short term sessions only pay for that specific term and are not counted towards a full 16 week semester).
- I understand that I cannot count the units of SELF-PACED CLASSES or ONLINE REMEDIAL COURSES towards my education benefits.
- I understand that if I fail to report enrollment changes (dropping a class, adding a class, stop attending a class), this could result in delays, overpayments, or termination of my DVA Education Benefits.
- I understand that overpayment is my responsibility and I will owe money to the Department of Veterans Affairs. The DVA may deduct the funds from ANY Federal payments (retirement, taxes, disability, etc.).
- I understand if I am using the Post 9/11 GI Bill (CH33), I must verify my enrollment monthly in order to continue receiving my housing benefit. Failure to do so would mean I will not receive my housing benefit.
eBenefits

Students may research, access, and manage their benefits and personal information using the Veterans Benefit Administration’s eBenefit website at: https://www.ebenefits.va.gov. Click “Register Now” and select a free Premium account for unlimited access to:

- Download a DD-214
- View benefit status
- Check Post-9/11 GI Bill ® entitlement
- Check enrollment status

Student Education Plan (Program Requirements)

- All veterans must have an official Student Education Plan on file (including official transcripts from all prior colleges) by the end of the first semester or there will be an interruption in your VA educational benefits. No exceptions will be made.
- Students are required to notify their college Veterans Affairs Office when changing their program or degree plan. A new Student Education Plan must be developed by a college counselor and must be immediately turned into the college Veterans Affairs Office to update the student’s VA file.

Selecting College Courses

- For all veterans and dependents using DVA benefits and registering for classes, it is important to understand that all courses are subject to approval and must meet prerequisite or course requirements listed on the current Student Education Plan on file.
- Courses not meeting the requirements of the Education Plan will be denied by the DVA and will not be included towards the student’s rate of pursuit (approved units) calculated for awarding monthly education benefits. As a result, these courses will not be reimbursed for paid out-of-pocket tuition and fees to the college.
- Failure to take the proper courses will result in an overpayment and the reduction or termination of benefits. Veteran and dependent assumes full liability for any overpayment of all DVA educational benefits.

Submitting Semester Worksheet

- Every semester, all students are required to report their enrollment by submitting a completed Semester Worksheet to the college Veterans Affairs Office. All registered courses listed on the semester worksheet are subject to approval based on the Student Education Plan on file. Failure to submit the Semester Worksheet will delay your enrollment certification to the DVA for education benefits.
Student Overpayments, Underpayments and Repeating Courses

- All adds, drops, and withdrawals must be processed through mySDCCD at [https://myportal.sdccd.edu](https://myportal.sdccd.edu) and must be reported to the student’s primary college Veterans Office by completing a Class Adjustment form in order to avoid any erroneous (overpayment or underpayment) monthly benefits.

- You MUST attend class and participate (both on campus and online) or it will result in an adjustment to your original enrollment certification. The adjustment will result in a student debt to the DVA, including any accruing interest until the debt has been resolved.

- You MUST inform the college Veterans Office of any changes in enrollment status (add/drop/withdrawal). Changes may result in an overpayment or underpayment of monthly benefit payment.

**Failure to take classes listed on your approved Student Education Plan may result in an overpayment and the reduction or termination of benefits. Veterans and dependents assume full liability for any overpayment and will owe money to the Department of Veterans Affairs. The DVA may deduct the funds from ANY Federal payments (retirement, taxes, disability, etc.).**

- Repeating Courses: The San Diego Community College District allows students to repeat courses where a D, F, or NP was earned the first take. However, for veterans receiving benefits, you must earn A, B, C, or P on the second take or the DVA will decertify you for the first enrollment and you will owe DVA for the overpayment.

- Drop classes by the drop deadline.

- Report any change to your class enrollment to the college VA Office immediately.
  Consequence: You may be certified for the wrong unit load.

- A Semester Worksheet must be submitted to the primary college Veterans Affairs Office in order to be certified for VA Education Benefits.

- Failure to attend class and participate (both on campus and online) will result in an adjustment to the student’s original enrollment certification. The adjustment will result in a student debt to the DVA, including any accruing interest until the debt has been resolved.

**All class adjustments made after the initial certification will not be processed until after the add/drop period.**

Transcripts hand-delivered to the college Admissions & Records Office [must be in a sealed envelope and issued by the institution within the last 12 months](https://www.sdccd.edu) or submitted electronically.
STUDENT EDUCATION PLAN

All veterans must have an official Student Education Plan on file by the end of the first semester or there will be an interruption in VA educational benefits. No exceptions will be made.

Official transcripts from all previously attended colleges, Military transcripts, and any CLEP, DANTES, IB, and AP test scores must be submitted to the college.

Once the transcripts have been received by the college, you should complete a Request for Transcript Evaluation form. After the transcripts have been evaluated, you will be notified by Evaluations via email to contact the college Counseling Office to schedule an appointment for a Student Education Plan.

Change of Program/Major
Veterans and dependents are required to notify their primary college Veterans Office when they make a change to their program or degree plan (change of major). A new Student Education Plan must be developed by a college counselor and submitted to the college Veterans Office in order for the change to be effective.

It is not advisable to change your education plan mid-semester/session because it may result in decertification or an overpayment.

POLICY RELATING TO STUDENT’S ATTENDANCE

ATTENDANCE

Students are expected to attend all classes regularly. Occasionally, students may need to be excused from classroom attendance; therefore the following lists suggest those circumstances which may be excusable. However, each occurrence will be reviewed separately.

- Illness (if student notifies VA Clerk and Instructor with doctor’s note)
- Jury Duty/Compulsory Military Training
Formal Leave of Absence from training (pre-arranged with VA Clerk)

Tardiness in reporting to class after the first 15 min. will be counted, recorded, and reported to the VA. Each tardy will count as one (1) full hour of absence. After three (3) tardies, student will be placed on thirty (30) days probation by a counselor. If any tardiness occurs during this probationary period, the school will recommend termination of VA benefits.

**ABSENCES - CONTINUING EDUCATION**

Continuing Education Students receiving veteran’s benefits **cannot** have more than three (3) absences during a calendar month.

**INTERUPTION FOR UNSATISFACTORY ATTENDANCE**

- Students who exceed three (3) absences during a calendar month will have their benefits interrupted (stopped) as of their last day of class attendance. **Students are responsible for the accurate tracking of their absences and for being aware of the potentially negative effect they will have on payment of their VA Educational benefits.** The first time students exceed three (3) absences; their VA benefits will be interrupted for thirty (30) calendar days. Once the student has re-established satisfactory attendance, the certifying official can reinstate the student. The second time a student exceeds three (3) absences during a calendar month, their VA benefits will be interrupted and a termination form will be sent to the VA.

**VOLUNTARY INTERRUPTION OF VA BENEFITS**

- In an attempt to avoid inadvertent interruption of their VA benefits due to violation of the attendance policy, students have the option of requesting a voluntary interruption of their benefits. The request for a voluntary interruption must be made prior to violation of the attendance policy.

#### Graduation
- File a *Petition for Graduation* online at [https://www.sdccd.edu/students/evaluations/graduation/](https://www.sdccd.edu/students/evaluations/graduation/) two semesters in advance of anticipated graduation.
- Pay close attention to petition deadlines [https://www.sdccd.edu/students/evaluations/graduation/graduation-deadlines.aspx](https://www.sdccd.edu/students/evaluations/graduation/graduation-deadlines.aspx)
Beginning December 17, 2021 students attending Institutions of Higher Learning (IHL) will also be required to verify their enrollment. All Post-9/11 GI Bill® students who receive Monthly Housing Allowance (MHA) and/or kicker payments are required to verify their enrollment to continue receiving their payments. Read below to learn more about what enrollment verification is and how to do it.

What is Enrollment Verification?
Enrollment verification is a new requirement for Post-9/11 GI Bill students to verify that they have remained enrolled in the same courses or training every month. Students who receive MHA/kicker payments will have their payments withheld if they fail to verify or report that they are no longer enrolled in their courses or training.

This requirement is only for Post-9/11 GI Bill and does not impact other programs, including Veteran Employment Through Technology Education Courses (VET TEC), Survivors’ and Dependents’ Educational Assistance (DEA), Veterans’ Educational Assistance Program (VEAP), or the Edith Nourse Rogers STEM Scholarship.

If you are a Montgomery GI Bill® (MGIB) student, this new requirement does not represent a change for you, as MGIB students are already required to verify enrollment.

When Does Enrollment Verification Start?
Currently, the monthly verification requirement is only being applied to Post-9/11 GI Bill students who receive MHA/kicker payments. Beginning December 17, 2021 students attending Institutions of Higher Learning (IHL) will also be required to verify their enrollment.
How do I Verify Enrollment?
You can verify enrollment using the following methods:

- **Via Text Message**
  - You can use text messages as a simple, quick option for verifying monthly enrollment. To opt into text message verification, please contact the Education Call Center (ECC) at 1-888-GIBILL-1 (1-888-442-4551) to ensure VA has your mobile phone number.
  - After opting-in, you can verify your enrollment simply by responding to a text message from VA.
  - Please be assured that enrollment verification via text message is safe and secure. VA will never ask for your personal information, such as social security number or bank account information, via text.
  - VA strongly recommends this method for verifying enrollment. It will be easier and faster than calling the ECC.

- **Via Education Call Center**
  - Contact the ECC at 1-888-GIBILL-1 (1-888-442-4551) and ask a representative to verify enrollment on your behalf. NOTE: ECC wait times may be high due to the number of students verifying enrollment each month.
  - If you opt out of text verification and later change your mind, or need to update your mobile number on file, you can opt in by calling the ECC at 1-888-GIBILL-1 (1-888-442-4551).

What Happens if I Fail to Verify my Enrollment?
If you fail to verify enrollment for two consecutive months, your MHA/kicker payments will be placed on hold. You must take steps to verify your enrollment to have the payments released.
